RE: Re-Delivery of NSPS Subpart OOOOa Annual Report
Hamill 19-16HA Production Facility
Myers 19-11HA Production Facility
GRMR Oil and Gas, LLC

To Whom It May Concern:

On behalf of GRMR Oil and Gas, LLC (GRMR), LT Environmental, Inc. (LTE) is re-submitting the attached annual report in accordance with 40 Code of Federal Regulations (CFR) New Source Performance Standard (NSPS) Subpart OOOOa. This report covers the August 2, 2017, through August 1, 2018, reporting period for the Hamill 19-16HA and the Myers 19-11HA Production Facilities. Attachment 1 includes the appropriate portions of the EPA provided reporting template, and the signed certification of completeness by a responsible official is in Attachment 2. This report was originally submitted on October 25, 2018.

Attachment 3 includes a copy of the original United States Postal Service (USPS) tracking label and mail stamp, along with a screenshot of the USPS online tracking history of the report. As of December 7, 2018, the online tracking history showed that the package was picked up from the LTE office on October 26, 2018 and was in transit to the next facility as of November 2, 2018. However, there is no record that the report was delivered to its final destination.

LTE requests that this submittal be accepted as a timely submission of the attached NSPS Subpart OOOOa report, in accordance with 40 Code of Federal Regulations 60.5420a(11). Based on the Compliance and Emissions Data Reporting Interface (CEDRI) reporting form being listed as draft and not final version, this report is submitted as a paper version.

Please do not hesitate to contact me at (303) 962-5537 or gfast@ltenv.com if you have any questions or require additional information.

Sincerely,

LT ENVIRONMENTAL, INC.
